

In re Appln. of Lamblin et al.
Application No. Unassigned
(U.S. National Phase of PCT/FR2004/000219)

Remarks

The present application is a U.S. National Phase of a PCT patent application. The specification has been amended to comply with formal requirements for U.S. patent applications to insert section headings into the specification. Claims have been amended to eliminate multiple claim dependencies. A new abstract has also been inserted.

No new matter was added by these amendments. The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
